Congratulations to Queensland visitors Ann-Maree Boyd & Winter and Kimmie Brett & Pilot on gaining their Tracking Dog titles! Good work!

Also congratulations to the other nine competitors who successfully passed their various test levels.

Jan Becquet did a wonderful job with Angela Clark's Nuti and Sam getting passes with both dogs for Angela who is on "light duties" after a very recent operation!

May we have lots more passes and titles at our August trial – the last of the year for our Club.
